

TSA Information for Graphic Design

December 2, 2019

SAC Prefix and Name: GD Graphic Design

Name of faculty member responsible for TSA reporting: John Bohls

Description of TSA(s) in 300 words or less: Students are provided a printout with a list of commonly used design tasks and visual examples of two page layouts. The students recreate both page layouts while selecting and using appropriate software, procedures, and techniques taught in GD classes. Each student's digital files are evaluated using a rubric to score design criteria. Maximum scores in each category are earned by correctly applying the appropriate combination of skills to the corresponding task.

Maximum score possible: 155

Benchmark score (score that "meets expectations" for completing students): 109
