

# TSA Information for Medical Assisting

10/15/2019

SAC Prefix and Name: **MA - Medical Assisting**

Name of faculty member responsible for TSA reporting: **Stephen Date**

**Description of TSA(s) in 300 words or less:** Measuring graduating students in their ability to meet professional competency standards by successfully passing the American Association of Medical Assistants national medical assisting credentialing exam.

**Maximum score possible:** They do not release a maximum score, but release individual category scores, percentage of performance against others taking the same exam, and pass/no pass notification.

**Benchmark score** (score that “meets expectations” for completing students): Passing the exam

**Clarifying notes:** Students completing our MA program are eligible to sit to take the AAMA exam three times. If a student passes the exam any of these times, it would be considered “meeting expectations.”
