

LAC AGENDA – February 21, 2014

Homework for Friday's discussion

The Phase II task force subcommittee (led by Sally) needs our feedback. Please take 5-20 minutes read the attached document "for discussion with faculty" before our meeting and bring your initial thoughts (either in your head or on paper).

We will be discussing the six items in the document in small groups and as a full council (copies of the attachment will be provided with space to write notes for each question). We are the first focus group providing feedback on possible change in guidelines for course-level outcomes -- and as the assessment leaders of the college, your voice is critical.

If you cannot attend Friday's meeting, please feel free to send your thoughts to Sally (sally.earll@pcc.edu).

Minutes

Please review the attached minutes from last meeting (1/17). Email your corrections before the meeting on Friday (or bring them to the meeting). Many thanks to Susan for recording the minutes!
