Information About Classes

Run a roster or get details about a specific course or a group of courses -- meeting times, prerequisites, waitlist, etc.

Class List (Roster)

1. **SFASLST** is a viewable class roster -- a list of students registered for a given CRN.
2. **SWRSLST** is a printable class roster.
3. **sf-score-roster** is an Ad Hoc roster report which includes the students' placement test scores.
4. **SWRRSTR** is a roster which can be downloaded into Excel.

Course CRN, Meeting Times, Enrollment

1. **SWASECQ** provides a way to look up details about a course (including enrollment) based on the class title or other information.
2. **SSASECT** gives all details about a given CRN: enrollment, instructor, meeting times, active/cancelled status, waitlist information, and more.
3. **SWRSELD** provides a detailed list of classes along with enrollment, instructors, and locations for a department or group of classes.

Waitlist

1. **SWRWLRP** provides a list of students who have been automatically moved from "waitlist" status into specified subject area classes during a specified time period.
2. **SSASECT** shows waitlist numbers for a single CRN, on the Enrollment tab.
3. **SFASLST** lists students who registered or are on the waitlist for a single CRN.

Prerequisites and Restrictions

1. **SSAPREQ** shows prerequisites and test score restrictions for a given course.
2. **SSARRES** shows any restrictions to registration for a given course.
3. **SWRTRKM** and **SWRTRKR** show whether students registered for a given CRN have met the prerequisite for that course.

Fees and Deadlines

1. **SSADETL** shows class fees, degree program attributes, and what department budget (FOAP) is associated with the class.
2. **SSAACCL** shows drop deadlines for a given CRN.
