

# List of Banner Reports by Category Draft

<b>List of Banner Reports by Category</b>
Listed in order of Report Name

<b>Student Information:</b>		
<i>Title</i>	<i>Report Name / Instructions</i>	<i>What the Report Shows</i>
Unofficial Transcript	<a href="#">SWRUNOF</a> <i>Detailed Instructions</i>	Student transcript: shows all transcriptable courses taken by student, calculates GPA and credit hours.
Student Class Schedule	<a href="#">SFRSCHD</a>	Student's class schedule for a given term.
Academic Standing List	<a href="#">SWRASLS</a>	Lists students based on a given academic standing code (Acad. Probation, Good Standing, etc.).
Prerequisite Fulfillment by CRN	<a href="#">SWRTRKR</a>	For a given CRN, lists students and whether they have fulfilled prerequisites for that class. Also shows placement test scores.
Potential Unsatisfied Prerequisites	<a href="#">SWRPRCK</a>	Flags students who have enrolled in a given course but may not have satisfied prerequisites.
Student Course & Attribute Summary	<a href="#">SWRSCAS</a>	Allows advisors to determine degree/certificate requirements met based on courses taken. Shows all courses taken by student (including current term, "in progress" courses) plus course attribute codes associated with courses.
<b>Course Information / Management:</b>		
Course Roster	<a href="#">SWRSLST</a> Detailed Instructions	Lists students registered in a given course (CRN).
Downloadable Course Rosters	<a href="#">SWRRSTR</a> Detailed Instructions	Downloadable version of above.
Class Enrollment Report by Location/Date ("Building Use")	<a href="#">SWRSELD</a> Detailed Instructions	Lists all courses associated with a given Attendance Method (or other parameter) for a given term. Shows building/room location, time, instructor, enrollment for each class.
Waitlist Conversion Report	<a href="#">SWRWLRP</a>	Lists students automatically moved from waitlist status into specified subject area classes, from a date you specify to the present.
Addendum to Printed Schedule	<a href="#">SWRADEN</a>	Lists all classes cancelled, added, updated, or filled since PCC term Schedule was printed.
No Grade Listing	<a href="#">SWRNOGR</a>	Flags which classes (crn's) have no grades submitted; also flags "in progress" grades.
Grade Distribution by Course	<a href="#">SWRGDCR</a>	Lists the distribution of grades by subject and CRN. Divides results into four categories: Successful completers, unsuccessful completers, non-completers.
<b>Enrollment Reports:</b>		
Dean's Enrollment Report	<a href="#">Dean's Report (In Argos)</a> Detailed Instructions	Shows term FTE and enrollment by class, with totals
Course Distribution Report	<a href="#">SWRCRSD</a>	Lists avg. enrollment and # of CRN's offered for each course, based on day, time of day course was offered. Compares several terms of course offerings and their avg. enrollment
FTE / Headcount / Enrollment	<a href="#">SWRFTHD</a>	Shows enrollment (seats taken), headcount, and FTE totals for a given term and group of classes
Extract FTE / Headcount / Enrollment	<a href="#">SWRFTEX</a>	<i>Extract</i> version of above report. Shows either Week 4 or End-of-Term totals
Class Enrollment Report by Location/Date	<a href="#">SWRSELD</a>	Lists all courses associated with a given Attendance Method for a given term (among other options). Shows building/room location, time, instructor, enrollment for each class (No Totals)

<b>Faculty Workload Management:</b>		
Faculty Assignment Notification (FAN)	<a href="#">SWRASGQ</a>	Runs required "FAN" letters, mailed to department instructors to confirm instructor assignment and pay for upcoming term
Course Workload by Instructor	<a href="#">SWRFFTE</a>	Shows instructor workload for a specified term and attendance method, including override and faculty release workload. Includes CRN's, Subj's/Courses, and instructor types associated with each instructor.
Workload Report by Campus, Course Number, and CRN	<a href="#">SWRIFTE</a>	Same as above, but sorted by Campus, Course Number, and CRN.
<b>Population Selection:</b>		
Overview of Population Selection	<a href="#">Pop Sel Overview</a>	Click on the link at left for an overview of the Population Selection process and links to "output" options.
Common Population Selections	<a href="#">Common Pop Sels</a>	Click on the link at left for a list of available Common Population Selections
Combining Populations	<a href="#">Combining Pop Sels</a>	Click on the link at left for directions on combining Population Selections.
Manual Population Selection	<a href="#">Manual Pop Sels</a>	Click on the link at left for directions on setting up a Manual Population Selection, with links to "output" options.
<b>Student Account Management:</b>		
Exemption students with F/A	<a href="#">SWREXFA - List of Students by Tuition Exemption Code</a>	Shows students who fall under a given tuition/fee exemption code -- applies to Fin. Aid and programs which cover student tuition/fees
<b>Miscellaneous Reports:</b>		
Unduplicated Mailing Labels	<a href="#">SWRUESL</a>	Creates mailing labels for a given group of CRNs.
